

YEAR 5 NEWS

Dear Parents of Year Five,

Welcome to another exciting Term. The students have made some pleasing progress over Term One. The students have adjusted to the new space and the routines extremely well. We are looking forward to moving into our new building very soon.

The Naplan tests went smoothly and we congratulate each student for doing their best.

The Curriculum for Term Two is:

Religious Education- Easter and Stories of the Early Church

Mathematics- Addition/Multiplication/Time/Patterns and Algebra/Volume/Fractions and Decimals

English- Reading/Imaginative, Informative and Persuasive writing

Science Earth's place in Space

H.S.I.E- Australian Colonies

PDHPE Keeping myself safe

Visual Arts Surreal art

P.E is on Thursdays

Library is on a Wednesday

In the next few weeks, notes regarding the Year Five Camp at Teen Ranch will be sent home. It is very important that these are signed and returned to the school. It is also very important, parents, that, each student understands that attending Teen Ranch is a privilege and not a right. As it is an overnight excursion, any student who persistently shows uncooperative behaviour and disregard for teacher's directions at school may not be attending the camp.

Winter uniform is now to be worn and boys must be wearing their school tie.

Also our school fundraiser will be held on Friday 21st June. We thank you for your support of our annual fundraising day.

Yours truly

Mr I Byrne(Grade Leader)
(On behalf of Year Five Teachers)
