*Drugs Affect Me- Keeping Safe
& Healthy*

PHYSICAL EDUCATION

CREATIVE ARTS:

Music, Visual Arts

Dear Parents,

Welcome to Term Three! We hope your child had the time to relax during the holidays and is now ready for more learning experiences.

This term will prove to be an exciting one for your child as we have organised a Science Day on Sept 6 (Friday Week 7). The activities for the day will include experiments involving heat energy. Your child will also be involved in Public Speaking presentations in the later part of the term.

As we are still in winter, we ask that your child comes to school in complete winter uniform which includes a tie and a school jacket.

We encourage you to be mindful of the school policy regarding absences and punctuality. They are key factors that affect your child's learning.

Library borrowing is on every Wednesday. Physical Education and Creative Arts (Music) are on every Thursday.

The team of Year 3 teachers are always here to address any concerns that you may have regarding your child's academic progress or social skills. Please feel free to make an appointment to see your child's class teacher when needed.

Thank you,

Mrs Debbie dela Paz (Grade Leader)
