In the next few weeks, medical/ dietary and what to bring notes regarding the Year Five Camp at Teen Ranch will be sent home. It is very important that these are signed and returned to the school. It is also very important, parents, that each student understands that attending Teen Ranch is a privilege and not a right. As it is an overnight excursion, any student who persistently shows uncooperative behaviour and disregard for teacher's directions at school may not be attending the camp.

Winter uniform is now to be worn and boys must be wearing their school tie and black school shoes (not black joggers).

Yours truly

Mr I Byrne

(Grade Leader on behalf of Year Five Teachers)
