---

Dear Parents and Guardians,

Thank you for all the work you are doing with your children to help with their learning. As I mentioned last week, and you would have heard in the media, we will be starting the gradual transition to school in Week 3.

All children are welcome to come to school this week and week 2 if you need them to attend but from week 3 (11th May) it will be more formalised. Of course this is your decision to make as parents but our guidelines will be:

- Students return one day per week in Week 3
- Students return two days per week in Week 4
- Students return three days per week in Week 5
- Students return four days per week in Week 6

By week 7 hopefully we will have a return to full time classes if parents send their children.

The days your child/children return is based on their house/colour. This is to give students a gradual reintroduction to school.

Of course you may send your child everyday if you need to regardless of their house/colour.

Please see the attached document which outlines the days for your child/children.

We have had many lovely emails from families saying how much the children have missed being at school and we look forward to a safe time when all of the staff and students and their families are back here.

Once again thank you for your support and understanding as we make these decisions for our students.

Peace and Joy

Tricia Carr  
Principal

**Good Shepherd Primary School Plumpton Students Returning to School Roster**

Weeks	1	2	3	4	5	6	7	8	9	10
Monday										
Tuesday										
Wednesday										
Thursday										
Friday										

Any child who requires to be at school may attend on Friday.

**House Colour Code:**

BRADMAN	BLUE	FRASER	RED	NEWCOMBE	YELLOW	MCKAY	GREEN
