

Year 5, 2020

Term Four

It's the last term in our school year and things are not slowing down in Year Five! We still have loads of work to get through, reports to be written and projects to be completed. This is a busy term as we prepare the children for Year Six.

In Week 6, students who nominated themselves as a candidate for School Captain will be delivering their speech to the grade. Short-listed candidates will be interviewed by Mrs Carr and Mr Battikha. There is a voting process over the following week involving Year Five students and teaching staff. School Captains and Sports Captains will then be announced in Week 10.

Year Five have a reading assignment this term, where they are asked to read a variety of books; two novels (fiction), three picture books (fiction) and two information books (non-fiction). They are encouraged to choose books suited to their reading level and there is a relevant activity to be completed for each book. The assignment runs for the course of the whole term. You can support your children by talking to them about the books they're reading and the activities they are completing.

Our Library borrowing day this term is **Wednesday**. Please encourage your child to bring their library bag and to borrow from the library. We cannot stress enough how important reading is for our students learning.

This term we will be learning about:

Religious Education	What is Faith? <ul style="list-style-type: none">▪ Through faith we begin to understand our world
English	Shared, guided and independent reading and writing. We will continue to work in improving our students' reading comprehension and vocabulary enrichment in all Key Learning Areas. Students participate in oral language activities throughout the school day.
Mathematics	<ul style="list-style-type: none">▪ Working mathematically▪ Whole number▪ Time▪ Fractions and Decimals▪ Addition and Subtraction▪ Multiplication and Division▪ Patterns and Algebra
Science and Technology	<ul style="list-style-type: none">▪ Facts of the Matter!
Human Society and Its Environment	Geography <ul style="list-style-type: none">▪ Factors that Shape Places
