Dear Parents and Guardians,

I'm sure you've heard and read a lot of information about schools in the last week, particularly the last few days as it gets closer to the beginning of term 2 when normally students would be returning to school. But of course as you know these are not normal times and I thought I would confirm what will happen in Term 2 at Good Shepherd.

For the first two weeks of Term 2, learning will be delivered to students in the same way it was provided in the last weeks of Term 1. School will remain open and parents and carers who need to send their children to school can still do so; however, the State Government's directive to parents to keep their children home, if practical, still applies.

From week three we are starting the process of returning to full schooling hopefully with everyone back by the end of the term.

We will have a roster of how this will happen. This will be based on house/colour groups (for example Newcombe, Bradman etc) and the roster will be distributed to you next week. I stress that you may send your children along everyday if you need to.

Monday 27th and Tuesday 28th are pupil free days and although staff will be on site there will be no lessons.

Thank you for your understanding during these difficult times and please know that we respect and support the decisions you make in the best interest of your children.

Even though Easter Sunday seems a long time ago, as we know the Easter message is a message of hope. May the peace, joy and hope of the Easter Season be with you and your families.

Regards,

Tricia Carr
Principal
