23rd March 2020

Dear Parents and Guardians,

This morning the Premier of NSW, Gladys Berejiklian has suggested that parents who are able to keep their children home from school, do so.

Schools are not closed, and any child who attends school will be taught and looked after as usual.

At Good Shepherd Primary we have prepared for this situation and work is available for your child while schools are still open please contact the office.

Our school library will be open for borrowing all week, even if your child is not attending school they can call in and borrow books at this stage.

If schools do close learning will be delivered in a different mode. Both online and hard copy. As parents have let us know that they are not sending their child to school we have been able to send work home.

We will keep you informed of any changes that may take place as soon as we know about them.

Thank you once again for your understanding and support. We will keep all of our families in our prayers, particularly those whose jobs and livelihoods are under threat.

God Bless

Tricia Carr
Principal
