Dear Parents and Guardians,

The feast of the Sacred Heart is approaching, and it has been said that the Feast of the Sacred Heart is the one celebration that clearly distinguishes Christianity. This is because in the heart of Christ there is the flowering of every human virtue: tenderness and compassion, certainty, strength, endurance. There is a goodness that communicates itself to others in forgiveness, reconciliation and friendship.

This is evident in how we treat each other, not just our friends and families, but those who need our help and love.

The Mini-Vinnies, led by Mr Byrne have been instrumental in our Winter food appeal for the St Vincent de Paul Society. This is one way as a community that we can share our love and have compassion for others. Once again, this year your generosity parents has been outstanding. I know that there will be many families who will benefit from your donations of food at this very trying time. Your love flows from a generous heart.

The Feast of the Sacred Heart reflects the Church's emphasis on the importance of love and, of course, the love that Jesus taught us, "Love one another."

**"Sacred Heart of Jesus, I put my trust in
You. By our lives, may the Heart of
Jesus be known and loved."
Amen**

Tell Them From Me®

2022 Tell Them From Me Parent Partners in Learning Survey

Over the next three weeks we will be inviting students in grades 4, 5, & 6, teachers as well as parents and guardians to provide feedback on their experience of our school using an online survey. The surveys are an important part of our whole school evaluation and planning process.

We would like to invite you to complete the *Tell Them From Me (TTFM) Partners in Learning* survey. As we value the role of parents and carers within our school community we would greatly appreciate your feedback. The information you provide will be used to maintain our commitment to working together in partnership to further improve student learning and wellbeing at Good Shepherd Primary School Plumpton.

The survey is anonymous and will take approximately 20 minutes to complete. You are able to access the parent survey on your computer or mobile device by using the attached URL:

<http://tellthemfromme.com/gnk6p>

We thank you for your on-going support. If you have any questions regarding this survey, please contact the school office and ask to speak with Mr Battikha.

9 June 2022

Dear Parents and Guardians,

As a result of students from Years 3-6 participating in our school athletics carnival on Friday 17th June, certain class groups will be required to change their day of wearing sports uniform.

Please ensure all students in the following class groups wear their sports uniforms on the listed days:

| <u>Wednesday - 15th June</u> | <u>Thursday - 16th June</u> | <u>Friday - 17th June</u> |
|-------------------------------------|------------------------------------|----------------------------------|
| Year 4 | 2R | Year 1 |
| Year 6 | Year 5 | Kindergarten |
| 3R and 3W | 3B and 3G | 2B and 2G |

These changes are necessary so that students do not miss out on their scheduled weekly Music and Physical Education lessons.

Additionally, children (Years 3-6) attending the Athletics Carnival are encouraged to wear their house colour shirt, otherwise they will be required to wear full school sports uniform. Sport uniform tracksuit pants may be worn if the weather is cool.

We appreciate your support with this matter.

Thank you for your cooperation,
Mr Henry Escandor
Sport Coordinator

9th June 2022

Kindergarten Animal Day

Dear Parents,

This term Kindergarten have been learning all about animals. To enhance our learning, we are having an **ANIMAL DAY!**

On this day we will have in class activities including craft and dancing.

We are asking for your child to come to school dressed up as any animal for the day. Please do not go to any expense for a costume, perhaps try and find things from around the house that you can use. If your child does not wear a costume they are to wear their normal sports uniform.

Students who do not feel comfortable dressing up may bring a soft toy animal to represent their favourite animal. Please do not bring any live animals to school.

DATE: WEDNESDAY 29th JUNE 2022

Thank you for your continued cooperation and support.
The Kindergarten team.

Good afternoon,

Transport for NSW is upgrading the intersection of Jersey Road and Hyatts Road, Plumpton to improve safety and traffic flow for all road users. The work will involve:

- adjusting the kerb and median on the eastern side of Jersey Road to improve vehicle turning movements
- installing turning arrows on Hyatts Road to allow vehicles to turn right safely and efficiently
- upgrading the tram ramps and traffic light push buttons to assist visually impaired pedestrians
- resurfacing the pavement at the intersection and updating the line marking

This work will take place between Tuesday 14 June and Friday 8 July 2022, weather permitting.

Our work schedule

We will be on site for 12 night shifts between Tuesday 14 June and Friday 8 July, weather permitting. Our work hours will be between 8pm and 5am.

How will the work affect you?

Our work will be carried out at night to lessen the disruption to traffic and reduce safety risks to our workers and road users. It may be noisy at times, but we will do everything we can to limit the disturbance including completing the noisier tasks by midnight, turning off vehicles and equipment when not in use and using noise blankets around our work site when carrying out noisier activities.

The line marking and traffic light cabling installation work is not expected to be noisy.

Traffic changes

There will be some temporary traffic changes and a reduced speed limit of 40 km/h during the night shifts to make sure the work zone is safe. Lane closures will be in place and may affect travel times.

Road detours

To improve safety for our workers and motorists, we will need to detour motorists for up to two night shifts during our resurfacing work.

- When asphaltting on the westbound lanes of Jersey Rd, motorists will need to detour via Bottles Rd and Rooty Hill Rd North, or via Pringle Road, Woodstock Avenue and Hyatts Rd.
- When asphaltting on the eastbound lanes of Jersey Rd, motorists will need to detour via Daniels Rd and Shinnick Dr, or via Rooty Hill Rd North and Luxford Rd.

Thank you

We apologise for the inconvenience and thank you for your patience and understanding while we complete this important safety work as quickly as possible.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
