

Dear Parents & Guardians,

Please note the Compass School Manager App (for Parent Portal) will be the platform used to send out the school reports to you. We would strongly encourage you to download this as **there will be no paper copies sent home with students**. All notifications will be sent via the parent portal.

You will need to register, **if you haven't already done so**, to be able to access your child's report. Please ensure that you have registered. For further assistance, please contact the school office on 9836 7100.
